

Bicester Green Terms and Conditions and Limited Warranty

What we have done

Bicester Green is a volunteer organisation dedicated to reducing waste.

This item has been refurbished by our volunteers to ensure that the item is safe for use in accordance with the manufacturer's instructions.

We have checked that it is electrically and mechanically sound.

We have checked that the main functions work as expected and have noted any which do not.

What we have NOT done

We have not checked every function of more complex items.

We have not tested the item for long, continuous use.

What you need to do

If you are not familiar with items like this, you should seek out the manufacturer's guidance online to ensure that you use it safely and for appropriate tasks.

You should check the functions you need, to reassure yourself that the item is suitable for your intended use.

Our 30 day Limited Warranty

Any item may be brought back to us once within 30 days of purchase for repair of any fault which develops with the item after you buy it, excluding consumable parts, misuse, and accidental damage.

Any spare parts used in the repair will be charged for.

If it is not economical to repair the item, we will offer you a refund.

You will need to show your receipt.
