Why support Bicester Green?

We are a passionate team of volunteers dedicated to reducing waste and promoting sustainability.

Here's how we make a difference:

- Collaboration in Action: working together and sharing skills in our wood, electrical, laptop and bike workshops.
- Reclaim, Reuse, Repair: reconditioning, repurposing and refurbishing items to give them a second life.
- Recycling Responsibly: ensuring materials are recycled when reuse isn't possible.
- Sustainable Shopping: reselling items in our shop on Sheep Street.
- Empowering Change: sharing our skills and inspiring others to take action.

And as a thank you when you join

We would be delighted to offer you a 10% discount on all purchases in the Bicester Green shop throughout the time of your subscription.
